ABSTRACT

Please provide an abstract of approximately 100 words.

1 PAPER FORMATTING

Please use the formatting styles suggested in this document. All text should use the "Times New Roman" font, with the body text in 12 pt. Session names and the length of the paper should be 12 pt and bold, while authors' addresses should be 12 pt and italic. Section and paper headings should be in small caps and bold, with the paper heading 14 pt and the section heading 12 pt and numbered. Sub-section headings should be in small caps, 12pt and numbered as shown below. Subsequent sub-sections should use the same style.

1.1 PAPER LENGTH

Long papers should be 6-8 pages in length, while short papers should be 3-4 pages.

1.2 REFERENCES

References should be numbered and listed at the end of the paper [1]. To refer to a reference include its number between square brackets as shown.

2 PAPER SUBMITTAL

Papers should be submitted by e-mail to spacewire@computing.dundee.ac.uk. Note that papers should be submitted as PDF files. Please do **not** insert page numbers.

The filename of the paper should be session name plus first author's surname. If an author has two or more papers in the same session then number the first paper in the session "(1)", the second "(2)", etc., e.g. "Networks and Protocols Mills (1).pdf".

When providing the session name at the top of the paper and in the paper's filename, please check your session against the programme on the conference web-site: http://spacewire2008.astro.isas.jaxa.jp.
